{CONFERENCE INFORMATION }

The New Ticket to Work Program regulations went into effect on July 21, 2008. Now is the time to discover how the Social Security Administration (SSA) has listened to, learned from, and responded to your ideas about improving the Ticket to Work Program. SSA has made a number of exciting changes that make the Ticket to Work Program easier to use and more profitable. SSA, Hire Abilities Hawai'i (Medicaid Infrastructure Grant), Hawai'i Vocational Rehabilitation Division and CESSI invite your organization to attend one of the sessions in Hawai'i to:

- Learn about how it's become easier for Ticket Holders to reach milestones and Employment Networks to receive payments.
- Find out about the exciting changes to the New Ticket to Work Program.
- Explore new opportunities for partnership between Employment Networks, State VR agencies, Hire Abilities Hawai'i and the workforce development entities.

REGISTRATION

Simply send us the completed registration form. There is no registration fee. Attendance is limited on a first-come, first-serve basis on each island. You may be placed on a waiting list, so hurry up!

{THE PRESENTERS }

Sallie Rhodes is part of the CESSI team under contract with the Social Security Administration to function as the Program Manager for Recruitment and Outreach for the Ticket to Work program. Sallie has more than 22 years of experience working on a wide variety of disability issues. She is a content expert on the Vocational Rehabilitation program, the Ticket to Work program, employment for individuals with disabilities, transition for youth with disabilities and disability rights protection.
